Thanks, Jeff! Let me know when you'd like me to reach out to FDA and set something up. I'm thinking the agenda is pretty simple:

- Intros
- Why we're meeting (PFAS in pesticide containers – history & where we are)
- How FDA handles setting acceptable levels in food packaging; any advice for us in pesticides
- Next steps (if any)

Kimberly,

I remembered I owed you some info on the PFAS call I listened in on a couple of weeks ago – see the attached agenda.

Am trying to get the slides and contact info.

Thx

Jeff
